RESPONSE TO RESTRICTION REQUIREMENT

Assistant Commissioner of Patents
Washington, D.C. 20231

Sir:

This paper is responsive to the Restriction Requirement mailed June 4, 2002 and is filed prior to the expiration of the 30 day shortened statutory period set for response in the Restriction Requirement.

In response to the Restriction Requirement, Applicants elect without traverse the invention of Group II (i.e., claims 1-11) drawn to devices, classified in Class 257, subclass 330. Applicants note that the restriction requirement grouped claim 11 with Group I. However, because claim 11 is dependent on claim 1, Applicants believe that it should be examined with Group II.

Applicants reserve the right to file a divisional application directed to the non-elected invention prior to the termination of proceedings in the present application.
